

Happy New Year All ~ "[SideWalks](#) has been a real labor of love. I grew up in the City and have a deep love for it. TimmyJ's help in producing this song has really kept me focused. The addition of Joey brought [SideWalks](#) to life; it kinda reaches deep into your core, if you know what I mean."

2010 is really shaping up to be a good year for The TimothyPaul Band with the release of [SideWalks](#) and the [Home CD](#) along with being part of the Artist of the Year competition with Tate Music Group.

"There's a lot to look forward to. Staying close to our fans bringing them along every step of the way"
